Research Workshops and Grant Writing Groups @TC

Grant Writing Groups@TC

The Office of the Vice Dean for Research is sponsoring a Grant Writing Group in Spring 2022. The Writing Group, which is open to all tenure-track/tenured faculty, professors of practice, and research scientists, is being led by Ann Rivet and Carol Hammer. The goal is to create a community of grant writers who are working on applications and who have identified a potential funder. Group meetings are bi-weekly over Zoom for 1.5 hours. Meetings will be scheduled at a time that is convenient to the members. Click [here](#) to register. If you have any questions in the meantime, please contact Ann at rivet@tc.columbia.edu.

Announcements from Funding Agencies

Institute for Education Sciences (IES)

Request for Information: Tell IES About Your Science and Math Interventions

To identify and encourage the use of evidence-based practices in education, [IES is planning](#) two new prize competitions: one to incentivize innovation in middle school science instruction and another to leverage technology to improve mathematics achievement for elementary students with disabilities using digital instruction, specifically around fractions. Request for Information is due by **February 14, 2022**. Click [here](#) for additional information about IES's STEM Learning Challenges.

National Endowment for the Humanities (NEH) Fellowships Information Session

Funding Opportunities

Internal Funding Opportunities

FOR FACULTY

Provost Award for Grant-Writing Coaching

Funds for grant-writing coaching are available from the [Provost's Office](#). Faculty who are preparing a grant application to a federal agency or foundation identify a senior faculty member from TC or another university who has content expertise as well as knowledge of the funding agency. The expert, who receives \$1,500, provides feedback on the grant application as it's developed over a 2-3 month period. Apply [here](#) for the coaching award.

Deadline: Rolling

Funds for a Review of a Grant Applications

Faculty who are submitting a grant application to a federal agency or a formal competition to a foundation may apply for funds for an external reviewer to review their application. Reviewers should have a history of external funding and experience on grant review panels. Please contact the [Vice Dean for Research](#) if you are interested in this opportunity.

Deadline: Rolling

FOR STUDENTS

Dean's Grant for Student Research

Matriculated master's and doctoral degree students can apply for the [Dean's Grant for Student Research](#). Recipients are awarded up to \$2,000 for outstanding research projects. Application instructions are [here](#). Applicants can start uploading application materials after the new portal goes live on February 1. If,

after carefully reviewing the instructions, you have questions, please send an email to [Dean's Grant for Student Research](#).

Deadline: February 15, 2022

Research Dissertation Fellowship

Matriculated doctoral degree students, on track to receive dissertation proposal approval by June 2022, are eligible to apply for the [Research Dissertation Fellowship](#). Recipients are awarded \$6,000. Doctoral degree students can apply for either the Dean's Grant for Student Research or the Research Dissertation Fellowship (not both). Click [here](#) for the application instructions. Applicants can start uploading application materials after the new portal goes live on February 1.
