The IRB Office is integral to President Bailey's Strategic Plan in the area of research. Aligned with the strategic plan, Human Research Protection (HRP) Consulting Group audited the IRB Office and identified several areas for improvement: (1) increased staffing; (2) updated Standard Operating Procedures (SOPs); and (3) improved protocol submission through Mentor IRB. The IRB staff are working with the Vice Dean for Research and HRP to enact these changes and to further support the research community. While in its preliminary stages, the IRB staff will continue to make exciting announcements about the future of the office. More to come soon!

Full-time faculty (i.e., tenure-track and tenured faculty, research professors and professors of practice) are eligible to apply. This new annual, internal funding opportunity has been made possible through a generous donation from the Ball Stick Bird Fund at the Berkshire Taconic Foundation. This opportunity is due to a bequest of the Estate of Dr. Renee Fuller, the creator of the Ball Stick Bird learning method. For information about eligibility requirements, click on the [Application Form](#).

Tenure-track and tenured professors, professors of practice, and research professors are eligible to apply. Projects must involve an interdisciplinary collaboration among a minimum of 2 TC faculty members. A team member from outside TC may be included as long as 2 TC faculty are members of the group. For more information, please see the [Application Form](#)
  Deadline: Rolling until July 1, 2023

- **Grant-Writing Coaching Awards**
  Funds for grant-writing coaching are available from the [Office of the Vice Dean for Research](#). Faculty members may apply for one grant writing coach award per academic year.
