

DFI Faculty Newsletter

.....> June 2023, Vol 13

Welcome to the DFI June Faculty Newsletter!

Summer session A is in full swing and DFI is delighted to provide you with all the essential details required to request support for summer courses, summer technology and pedagogical workshops, and anything else that you might need over the summer!

We hope you have a wonderful month and thank you for reading!

.....> What's New?

1. Support for your summer 2023 Canvas courses:

Individual assistance from DFI:

If you would like assistance setting up your Canvas course please [Open a DFI Support Ticket](#) and one of our Instructional Support Associates (ISAs) will contact you to assist.

We can assist with:

- Importing content from last summer
- Utilizing [one of the TC templates](#)
- Answering any questions you might have about adding content to your Canvas course
- Show you how to [request your readings through the Course Resource List](#).

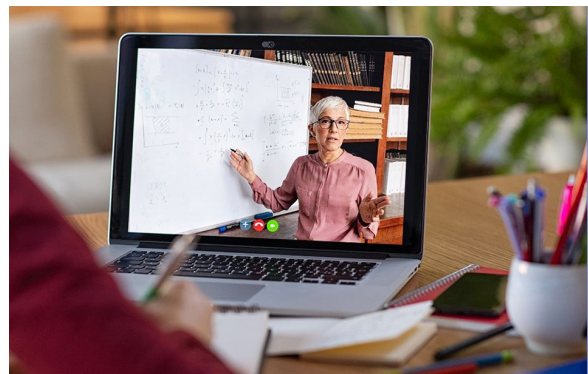

Do-it-yourself:

This simple [10-step Canvas Quickstart guide](#) is a great resource for faculty who would like to set up Canvas courses on their own.

2. Happening this Thursday!

Artificial Intelligence and Equitable Educational Futures for 6-12 Teachers

Thursday 6/08/23: 5:00 pm
Russell Hall 4th Floor - Smith Learning Theater

Join us for an exciting event where you can explore the impact of Artificial Intelligence (AI) and its impact on equitable education.

During this event, we'll engage in thought-provoking discussions about the ways in which AI is already impacting education and ideas on how to integrate these technologies into your teaching practices. You will also have the opportunity to play with AI tools to generate text, images, audio, and videos.
